GENERAL CONDITIONS

See University Hills Property Use and Maintenance Regulations and Architectural Guidelines for complete disclosure.

1. University Hills architectural approval does not constitute a waiver of any requirements required by applicable governmental agencies.
2. All structural additions, i.e., patio Covers, spas, pools, room additions, gazebos, etc, require City of Irvine permit issuance.
3. Architectural approval of plans does not constitute acceptance of any technical or engineering specifications and the Homeowners' Representative Board or its designate does not assume any responsibility for such. The function of the HRB is to review submittals as to aesthetics only. All technical and engineering matters are the responsibility of the owner.
4. Front and side yards require landscaping improvements within 6 months of the close of escrow.
5. An oversight of a Property Use and Maintenance Regulation or of a community policy does not constitute a waiver of the rule and, therefore, must be corrected upon notice.
6. City of Irvine ordinances require homeowners to maintain correct grades of lots so that water drainage does not flow onto adjacent properties or restrict off flow from same.
7. Access for equipment used in construction must be through your property only. Access over community property will be allowed upon special permits.
8. Streets may not be obstructed with objects or building materials that could be considered hazardous to pedestrians, vehicles, etc. Items such as, but not limited to, dumpsters, sand and building materials may not be stored on the streets or sidewalks or community property without special permission.
9. City of Irvine building permits may be required for structural improvements.
10. Any damage to University Hills community property must be replaced or repaired by a University Hills subcontractor. All applicable charges for restoration will be charged back to the homeowner and is due and payable within 30 days from notification or assessment of penalties.
11. Approval of the plans is not authorization to proceed with improvements on any property other than the lot owned by the applicant.
12. Approved plans are not to be considered authorization to change the drainage as installed by the developer.
13. Changes to the common area slope must conform to the guidelines outlined in the Homeowner Alterations to Common Landscaping Guidelines.
